# **The Cyprus Problem: The Destruction of Cypriot Cultural Heritage**

**Prof. Van Coufoudakis**

Rector Emeritus of the University of Nicosia, Cyprus  
Dean Emeritus of the School of Arts and Sciences IU-PU at Fort Wayne

**Wednesday, September 9  
6 p.m.**

**Krannert Art Museum Auditorium** (enter from Peabody)

*Professor Coufoudakis deals with the destruction of Cypriot cultural heritage following political events on the island. He provides an insider's analysis of an international crisis whose most recent phase was created in 1974 when Turkey and Greece clashed over possession of the island. His talk is seminal, especially in light of the April 2009 report by the Legal Service of the US Congress on this very issue.*
