Quarter Dinar

The front of this colorful dinar banknote exhibits a sail boat, known as a dhow and a Kuwaiti chest.

Young Kuwaiti girls play a traditional game on the reverse side of the banknote.

Half Dinar

Situated on the front of the half dinar banknote are the stalls of money changers and a traditional coffee pot.

On the back side of the banknote young boys play a traditional game with marbles.
One Dinar

The famous Kuwait Towers found in Kuwait City are located on the front of the one dinar banknote, along with a traditional oil lamp.

The modern port of Mina Al-Shuwaikh located on the Persian Gulf is illustrated on the reverse side of the banknote. In the right-hand corner, a traditional water vessel rests on a stand.
