Library Materials Policy

The CSAMES lending library materials can be borrowed by teachers and researchers with an institutional affiliation for a period of two weeks and can be renewed on special request for another two weeks if required. This is to ensure we can keep our limited materials available and in circulation. All DVDs can be borrowed for a period of one week and renewed for a second week if so desired. CSAMES reserves the right to charge a nominal late fee if materials are not returned by the due date.

For further information on how to borrow our materials, please contact Angela Williams, Outreach Coordinator at 217-333-2258 or aswillms@illinois.edu
