

# Decorative Arts

## Across

- 1 A type of print, where only one piece can be made at a time, so no two are exactly alike. Ebru is an example of this type of print.
- 4 What is the name of a repeated form, image or symbol used to create a pattern?
- 6 Small, detailed paintings used to portray anything from daily events to historical accounts to ancient tales. This type of painting is filled with patterns, motifs, buildings, people and animals.
- 7 In drawing, this technique renders a three-dimensional environment onto a two-dimensional surface.

## Down

- 2 The addition of stylized letters, embellished borders and miniature art in manuscripts.
- 3 What is the name of the technique of adding designs to fabric, using a needle and thread?
- 5 The process for treating/protecting paper in marbling, so the paper picks up only the colors floating on the surface.
- 8 What is the Turkish word for "Marbling"?
